JAY 1960

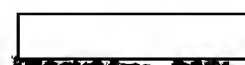

A review of all the factors attending your resignation from the Agency on 21 July 1959 has been completed. Official records disclose that the allegations you made in your letter of 7 April 1960 were given full consideration by the Director at the time he approved the action terminating your employment.

The Director is satisfied that your case received fair and objective treatment. He regrets that he finds no justification for reversing this decision by approving your request for reinstatement as a full-time employee.

Mr. Dulles is aware of the repeated efforts on the part of Out-Placement Service to find you suitable employment, and is hopeful that your recent acceptance of a personal service contract with the Office of Training to teach Arabic will be of mutual advantage to you and to the Agency.

Sincerely yours,

SIGNED
